This list is subject to change.

What: The Sioux County Soil and Water Conservation District is hosting another Conservation Ag Fair this year! Bring the whole family! There will be **activities for children**, **informational booths**, and **equipment on display** providing an opportunity to see the great resources available to you in one convenient location. **Learn from guest speakers** about cover crops, no-till, strip-till, composting, and more! Witness the **installation of a saturated buffer and bioreactor** on site and learn about the local effort to improve our soil and water quality. **Lunch will be provided!** Please RSVP to 712-737-2253 EXT 3. by **July 16th**.

Speakers include:

Craig Moss - Hull, IA farmer

Tom Cotter - Southern Minnesota farmer

Alan Dykshorn - Advanced Crop Nutrition

Jamie Benning - Iowa State University

When: Tuesday, July 23rd from 10:00AM to 2:00PM (*Lunch served at noon*)

Where: Dordt Ag Stewardship Center 3648 US75 Sioux Center, IA

Order of Events: 10-Noon is your time to network and visit booths, lunch is followed by presentations, and we will end the day with a field visit to see the saturated buffer and bioreactor installation.

WE HOPE TO SEE YOU THERE!
